# Introduction

Welcome to Dumfries Table Tennis Club (DTTC), the premier table tennis club in Dumfries and Galloway.

Founded in the 1950s, DTTC now has purpose-built premises in Shakespeare Street in Dumfries. We have nurtured some of Scotland's finest players over the years, with many competing at the top level nationally and internationally.

At DTTC we aim to inspire the next generation of table tennis players while giving as many people as possible, young and old, the chance to play table tennis for exercise, fun and socialising.

We are now seeking sponsorship from businesses that share our passion for table tennis and our commitment to healthy living. By sponsoring our club you can support a local community organization and gain exposure to a large audience locally and across Scotland.

Please find more information about our club and sponsorship packages in this document. Thank you for considering sponsoring Dumfries Table Tennis Club.
